Infection Prevention and Control Statement

It is a requirement of the Health and Safety Care Act 2008 Code of Practice on the prevention and control of infections and related guidance that the Infection Prevention and Control Lead produces an annual statement with regard to compliance with good practice on infection prevention and control.

This annual statement will be generated each year in December in accordance with the requirements of The Health and Social Care Act 2008 Code of Practice on the prevention and control of infections and related guidance.

It summarises:

- Any infection transmission incidents and any action taken (these will have been reported in accordance with our Significant Event procedure)
- Details of any infection control audits undertaken and actions undertaken
- Details of any risk assessments undertaken for prevention and control of infection
- Details of any staff training
- Any review and update of policies, procedures and guidelines
